Respected Sir/ Ma'am,

Subject : - **Requesting for surrendering the E – Pan(NFWPK9006L) which was mistakenly applied on income tax portal.**

****

Regarding the aforementioned matter, I Kiran Kumar S, a resident of Bhadravathi, already possess a PAN card with the PAN number **DHIPK2653F** and the name Kiran Kumar S. Since the government had set a deadline of May 31, 2023, for linking the PAN and Adar, I applied for an Adar card change because my Adar card name was S Kiran Kumar. Since the income tax department had certain norms that adar name and pan name must be matched

But It took a long time to update nearly 20 days after I requested in cyber zone that the name on my Adar card be changed to match the information on my PAN card. I was in a panic because I have only 7 days left for the deadline. So I was misinformed by a member of the cyber zone when they advised me not to panic and to simply **apply for an E-PAN** so that your Adar card is directly linked to one. They also said that **the new E-PAN had the same PAN number as your Old PAN number**. As a result, I submitted an instant E-PAN application using my old Adar card named S Kiran Kumar. Although I don't have any idea, the E-PAN Came with a different PAN Number: **NFWPK9006L**

My Adar card was changed from S Kiran Kumar to Kiran Kumar S the day after applying for Instant E-PAN, so I tried linking my old PAN card with my updated Adar number in the income tax portal. However, that website Says that your Adar number **8054 9341 6994** is already linked to another PAN card with the PAN card number **NFWPK9006L**. So Hereby I concluding that currently I am having 2 PAN card bearing a PAN Number **DHIPK2653F** and **NFWPK9006L**. Therefore, I politely requesting you that please delink my adar from PAN number NFWPK9006L and, if possible, that you deactivate the pan card associated with that number(NFWPK9006L).

Thanking You,
